

# Rhiwbina Baptist Church Nursery (‘The Aunties’)

## Application Form Information

Thank you so much for putting your child’s name on our waiting list. We would like to take this opportunity to provide you with some information about our setting.

As a nursery we strive to achieve the following goals for your child:

- Provide learning opportunities within a Christian environment
- Motivate each child to achieve their full potential
- Encourage each child to make their own decisions to enable them to become independent later in life
- Improve the all-round development of each child: physically, mentally, socially, emotionally and spiritually.
- Develop good relationships between home and nursery
- Create awareness to the children that God loves and cares for them individually
- Provide a happy caring environment where all children, including those with additional needs, are provided with a variety of activities which will enrich their development.

The nursery is part of Rhiwbina Baptist Church and is registered by Care Inspectorate Wales (CIW) to provide sessional day care as an unincorporated organisation. We are open to all children from the local area and are registered for a maximum of 30 children from ages 2 years 6 months to 5 years. All our staff are DBS checked and we have trained paediatric first aiders at each session. We are primarily an English speaking nursery, however we do encourage simple Welsh language songs and cultural activities. We follow a broad based curriculum based on Welsh Government’s curriculum for funded Non-Maintained Nursery Settings.

The nursery follows the Local Education Authority term dates as closely as possible. Our daily nursery opening hours are 9.00am – 12 noon.

We have a limited number of wrap-around spaces available from 12 noon until school nursery drop-off. This facility is intended for the older children (Age 3+) who attend the state nursery at Rhiwbeina Primary School in the afternoons. Children are to bring a packed lunch and will be supervised eating around tables with their friends and then transferred across to School in time for the afternoon session.

The nursery is registered with Cardiff Council for the Welsh Governments Childcare Offer for Wales. Fees are currently £15.00 per session with an additional 75p snack per day. Wrap-around space is an additional £10.00 (£5 childcare element & £5 supervised transfer) per session.

Places will be allocated as they become available. For September spaces these will be offered around Easter time prior to the September start. A deposit is required to hold your child’s place.
